

National Technical Association

Nurturing Scientists, Engineers, Technologists & Educators since 1925

NTA Cleveland Corporate Membership (2019 – 2020)

August 2019 to July 2020

Would you like direct access to hundreds of underrepresented technical professionals and students? Are you interested in investing in local and national STEM events featuring the nation’s best and brightest scientists, engineers, technologists, and educators? Want to help support programs that are preparing the next generation of STEM leaders? If so, please become a **National Technical Association (NTA) Cleveland Corporate Member!**

Founded in 1926, NTA is the oldest technical organization for historically underrepresented scientists, engineers and technologists in the U.S. NTA Cleveland Chapter was founded in 1974 and promotes career development of **BE-STEM** (Business, Education, Science, Technology, Engineering and Mathematics) professionals in scientific and technical fields through networking, workshops, collaborative programs and mentoring. NTA Cleveland hosts professionals and students each year through their outreach programs and awards scholarships to deserving students. We also honor BE-STEM professionals each year with our Nsoroma Awards and Technical Symposium Program.

NTA CLEVELAND CORPORATE MEMBER BENEFITS:

NTA Cleveland corporate membership brings small, medium and large companies and organizations together to network, share and partner with BE-STEM professionals so that together we can meet the demands of the ever-changing diversity in the technological market. As a corporate member, you receive:
